## Honour the Past - Live in the Present - Look to the Future...

Dear friends

**I trust you like the new design of our Monthly Report. As you can see, we are making some changes in Mission Outreach and we are all very excited about what the Lord is doing. We have a very rich heritage of over 42 years of ministry to Access Restricted Nations of Asia and the Church in New Zealand.**

With so many very good friends made by Eddie and Betty Cairns and other leaders and supporters of MO over the years, I am so blessed to see so many new friends joining us in the ministry.

I heard a Prophet say recently, "Honour the past, Live in the present, Look to the Future."

We honour the past with what God has done through MO: Hundreds of thousands of Bibles delivered into many Access Restricted Nations of Asia; Thousands of believers trained in God's Word; Thousands of souls saved; The support and encouragement of hundreds, if not 1000's, of leaders throughout Asia and New Zealand.

We Live in the present: MO has begun the training of 1000 pastors and leaders for the establishment of one thousand Equipping Centres in Nepal in one year.

The flow on effect is, the equipping centres will train up to or more than 20,000 believers who will become leaders and Church planters of thousands more new Churches - it's amazing. We continue to support the buying and delivery of Bibles into Myanmar, New Testaments for the Himalayas, Bible Colleges and School of Workers (SOW) training in Maldives and with the Ethnic Tibetans, the Laos Livelihood Project, and many other Projects.

We look to the Future: New doors of opportunity are or will open to Afghanistan, Africa and the Pacific Islands. The Lord is going to draw young people to join us at MO and release them into leadership. We also believe that we have a new mandate from the Lord to teach and impart the Apostolic and the Five-Fold gifts of Ephesians 4:11. We will continue to support the discipling of the nations and releasing the church into excellence for the Lord.

We also have a heart to serve the Church in New Zealand as we are all Kiwis that love our Country and want more of God here in Aotearoa.

We believe there is an exciting future for MO and we look forward to partnering with you all.

**Blessings, Neil Mossop**

## Body Builders for Christ

**A recent trip to Nepal has seen the 1000 Training Centres vision launched as many passionate Nepalese leaders run with the “baton” of training and equipping their people.**

The Church in Nepal has experienced tremendous growth since early 2000s, so that the overwhelming need has been for sound Biblical discipleship and training for the influx of new believers. Warren Young reflects on his experience in Nepal during his recent trip there to help establish the first of the 1000 Equipping Centres.

My first mission to Nepal was in 2004 at the request of C. Peter Wagner; to come alongside a pastor in Bhaktapur just outside of Kathmandu, who was struggling to keep up with people getting saved. On one trip high in the Himalayas we witnessed an entire village bow their knees to Christ's offer of salvation. However the churches struggled to train the leaders, and the churches struggled to gain a sound theological foundation on which to build - that is until now. Samuel Rai and Neil Mossop invited Matthew Jeffares (the Author of “Christ Gave Gifts” based on Ephesians 4) and myself to join them in launching the vision to develop 1000 Training Centres in the next 12 months.

*“But to each one of us grace was given according to the measure of Christ's gift... FOR THE EQUIPPING OF THE SAINTS AND FOR THE BUILDING UP OF THE BODY OF CHRIST.”* Ephesians 4:7&12

We witnessed first-hand the liberality of the measure Christ gave to the hungry leaders of Nepal as they received

the conference training and teaching materials published in their own language.

For MO to begin this training for 1000 Equipping Centres vision in Pokhara is a very distinct honour because it is the place where Nepal's first church was planted in 1952.

Two separate and intense training and equipping conferences were held in the two weeks the team was there. The team was constantly amazed at the hunger for

foundational truths in the leaders. Their passion for God's activity in their lives was evidenced as they filled the altar after every message. Many received multiple gifts of the Holy Spirit.

On completion of the two training conferences, 130 leaders graduated with much enthusiasm. With the fire of the Holy Spirit in their hearts and five books of training materials they returned to their communities having signed commitments to train 2290 leaders. And many have already begun training their leaders, with heart-warming results. Pastor Timothy reports, “(The training) was so blessed for all of us. And our trainees have started to teach their own teams. May God bless you.”

**Blessings, Warren Young**

# PROJECTS IN FOCUS

## COMPLETED PROJECTS

We are delighted and so thankful to report that with God's provision and your faithful and generous support, we have been able to complete the following projects:

**Laos Livelihood Training Centre:** This centre provides agricultural and Bible training for village pastors and is a tremendous encouragement to these people who place their lives in the Lord's hands on a daily basis in this nation.

**ASW Training Centre Kitchen:** This training centre has been a work in progress for several years, the kitchen being the final part to be completed. Gkhing is so thankful and blessed that we have been able to help him complete this project.

### MYANMAR New Testaments

Events of the last decade have increased worldly influences on the youth of Myanmar, who make up 20% of Myanmar's population. This has sparked a vision for 1 million Myanmar-English New Testaments to be distributed to youth across the country. MO is committed to purchasing 1000 New Testaments towards this vision.

**Total Commitment: \$8000 Balance Needed: \$7500**

### MALE SOW Training

School of Workers (SOW) Training is a very effective discipleship training programme used extensively by our contacts in Asia and beyond. Wherever it is used, there are always converts, which helps grow and establish the church in this case among the Maldavians.

**Total Commitment: \$7500 Balance needed: \$5300**

### ETHNIC Tibetan SOW Training

Phurpu is planning to conduct a SOW training among the groups he met on his trek to Everest last year as well as with contacts living in other regions. MO would like sponsor 4 of these at a cost of \$900 each.

**Total Commitment: \$3600 Balance needed: \$2700**

### 1000 EQUIPPING Centres in One Year

The first two of six equipping conferences was held in October. And the first of the printed materials was given out and the trained pastors have already begun imparting to their people what they learned.

This is a project of multiplication - we train 1000, who train up to 20 leaders each which equals up to 20,000 church leaders equipped in one year.

For this project to succeed, we need to print 80,000 books & teaching materials and invite you to partner with us. We thank the Lord that we are nearly half way to our goal.

**Total Commitment of \$127,000 Balance needed: \$65,500**

**CMTC Bible College** - Monthly commitment \$1600

**Nepal Radio Programme** - Monthly commitment \$700

### A Word from Eddie & Betty Cairns

Dear Mission Family,

Our heart felt greetings and blessings to you all. Betty and I are delighted with the new design of the Mission Outreach newsletter. We trust you will also will enjoy the refreshing new presentation. We are so thankful to those involved, who have sought the Lord regarding change, and have been so committed with all diligence to the new design. Our God is a creative God and we believe we are experiencing a new move of God like never before. It seems very timely to be moving in a new and exciting way.

Being part of this great Kingdom work has been the greatest adventure for us both. We have seen such increase in the magnified Work of God and remain in awe as the Lord of the Harvest continues to bring forth such bountiful harvest, in and through His servants. The harvest is ready, Lord may the labourers continue to come and serve. We are aware that younger ones are now part of this work, we welcome the strength of your youth as you team up in this great Kingdom work and pray the Lord will establish you to be great men and woman of valour, as you serve Him.

We love you all and continue to pray together every morning, giving thanks for you, our Mission Outreach family.

**Blessings in Jesus name,  
Eddie & Betty**
