"According to the grace of God which was given to me, as a wise master builder I have laid the foundation, and another builds on it. But let each one take heed how he builds on it. For no other foundation can anyone lay than that which is laid, which is Jesus Christ." 1 Corinthians 3:10

"Please go and see if it is well with your brothers and well with the flocks, and bring back word to me." Genesis 37:14

## Dear Friends

I remember Jesus words in Matthew 20:27 "Just as the Son of Man did not come to be served but to serve.."

We see in the nature and the calling of Jesus on this earth was to serve His Father who is also our Heavenly Father. we are here to serve Him too.

In Luke 2:49 Jesus said "Did you not know that I must be about My Father's business". Did you know that as Christians we are all in business - to serve our Heavenly Father's business. We are here on earth to be used by the Lord and to serve Him to see 'His Kingdom come on earth as it is in Heaven'

In the course of any business or organization and in serving, there are also seasons - just like in the natural seasons of Spring, Summer, Autumn and Winter, there are seasons in the service of the Lord. I believe there are times and seasons in our walk with the Lord as well. Times we lay things down and times we pick up new truths He is revealing to us as we go on journeying with the Lord.

I am excited about what the Lord is doing in NZ and in the nations. Many pastors and leaders are talking more and more about the Holy Spirit and the release of the 5-Fold Apostolic gifts. In Eph 4:11, 12 it says, "and he himself gave some to be Apostles, some prophets, some evangelists, some pastors and teachers. .... for equipping of the saints for the

work of the ministry" Here we see that Jesus gave these five apostolic gifts to the church to equip them to effectively do the Fathers Business.

I believe the Lord is speaking to many believers for the restoration of these gifts, and that He is pouring out new wine into His people, organizations and churches. John 2 talks about Jesus turning the water into wine which was the best wine. Although the wine made by the hand of man is good, the wine made by Jesus is by far the best. I'm sure we all want the best that the Lord has to give to us all. But if new wine is put into old wine skins it will burst the old skin and the wine will be wasted. But if we take the old wine skin and massage oil in, it becomes supple and flexible so it has movement and room to expand.

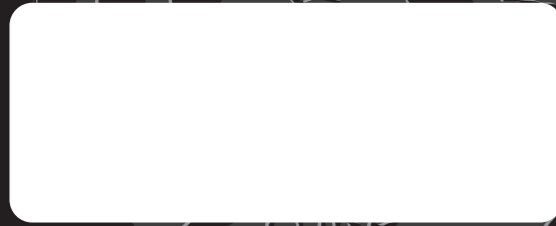

Remember the oil of anointing speaks to us of the Holy Spirit. As the Spirit massages His presence and His power into us as His vessels - the Church and ministries like MO, are then prepared to receive what the Lord desires to do through us. So I say, "come Holy Spirit come You are Welcome in this place You are Welcome to have Your way in us. We are your Children and we want to carry Your presence"

Blessings to you  
Neil

## OUTGOING DIRECTORS MESSAGE

Dear Friends,  
 It is with some sadness that Helen and I wish to announce that we have resigned from the board of Mission Outreach.  
 We have worked hard to run with the vision of MO and partners, for over 20 over years but now feel it is time to step down.  
 We will however continue to work in the Harvest fields of the world, and will endeavor to complete the assignments that He gives us. To this end we have decided to create a new organization or to merge with another to create a new wineskin which will enable us to do that.  
 We will not be in competition with Mission Outreach but intend where possible to work in parallel with them, and with the many other organizations which are doing great works all over the earth.  
 We wish all the team at MO God's success going forward... May they continue to be very fruitful and may they know His great power every day!  
 Thank you for all your encouragement and support through the years. It has meant a great deal to us and we could not have done anything without you.  
 God Bless,  
 Alvin & Helen

## INCOMING DIRECTORS MESSAGE

I, along with the Board of Mission Outreach, would like to thank Alvin and Helen Alan for 20 years of service to the ministry of Mission Outreach They have been so faithful to the calling the Lord has given them in serving Him.

Alvin has been MO Director for 7 years and has taken many teams from NZ to many countries. He is also a man of prayer and you will find him in many prayer meetings here in Tauranga and especially the MO prayer meeting on Monday nights Alvin is most often there praying for the nations.

I would also like to thank Helen her service as the secretary for the MO Board, and for the many hours she has invested in writing, collating and editing articles for MO Newsletter. She has also lead many teams from NZ to Asian countries and put her hand up when we needed someone to take visiting speakers around Churches on behalf of the MO Board. The MO board is very sorry to see them resign from the Board and we pray abundant blessings on them both as they work in new areas of service for our Lord.

I would also like to thank you our supporters for all your love and support for MO over the last 42 years. The MO Board and many of our MO supporters are very excited about the future of the Ministry and all the new opportunities we have to continue serve our Heavenly Father and see His Kingdom come to earth through our service in MO.

The Board of Mission Outreach asked if I would to take up the position of Director of MO which I have accepted. I believe this is in the Lord's will for me at this time.

A little bit about myself for those who don't know me, I met Eddie Cairns 30 years ago and started going to the Mission prayer meeting every Saturday morning. In those days it was held in Eddie and Bettys home. I also went on many Mission trips to Asia, my first one being to China in 1988.

In 1992, my wife Wendy and I were asked to join the management board of MO, and have therefore been board members for 26 years. During that time, I have held the position of Chairman of the Board at different times. Wendy has been involved with MO as a former secretary and newsletter editor which she did for 8 years and has been MO Treasurer since 2007. Wendy and I have traveled to many Asian nations over the

## Myanmar military launches brutal attacks on Christian areas

The people in Myanmar are in desperate need of our prayers as the military renews its offensive against the Christian Kachin people in the north of Myanmar.

Troops using artillery, helicopter gunships and infantry are reportedly setting fire to homes, forcing people to flee in their thousands. Many are believed to have sought refuge in churches. Commentators are drawing parallels between the current offensive and that unleashed against the Muslim Rohingya.

Some reports say that soldiers are using rape as a weapon of war and are deliberately targeting camps for the displaced, which is a war crime. They have also occupied churches and interrogated entire congregations.

Getting into the Kachin state now is quite difficult. The Burmese military is attacking from all sides. They have also been able to stop access, not only to journalists, but even local and international aid agencies. Since the beginning of this year, the Burmese military has upped its bombing campaign in different parts of Kachin state.

They want the Kachin Independent Organization (KIO) to sign a peace treaty and subsequently disband the Kachin Independent Army (KIA). Many villages were being bombed and burnt, very similar to the Rohingya community in Rakhine state. The Kachin people were fleeing and hiding in the jungles. They said the government of Myanmar have refused to give aid agencies access to them.

After months of negotiations by the church, some aid finally reached the hundreds of displaced. They have also been prevented from travelling to areas that are under the KIO and are now in camps guarded by the Myanmar military.

Kachin soldiers could be seen patrolling everywhere. On motorbikes with their AK's slung over the shoulders, on the back of 4x4s. Motorbikes seem to be the best mode of transport in this mountainous terrain.

*(Sources: Morning Star News, Sky News, World Watch Monitor, Release International)*

Kachin rebel fighters have been a military target for decades but fighting between rebel groups and the military began again in earnest in 2011. The conflict has intensified since April, in areas including Mohnyin and Myitkyina districts.

years to minister to the brethren.

One of those nations became pivotal in our journey with MO – Nepal when 23 years ago I met Samuel Rai, who is the founding Director of Gospel to Tribes & Nations (GTN). I became the International Director in 2006 and continue to be a key encourager, mentor and advisor to Samuel. Both MO and GTN have worked very closely in partnership together in the Himalayas and we are excited about what God is going to do there in the near future.

I am also a Director and shareholder of Mossops Honey which is a third-generation 100% NZ family owned and operated company based in Tauranga. My Father started the business in 1947 so we have recently celebrated 71 years as a family business. We are very blessed to have had our children involved over the years with the day to day running of the company. I am now able to spend more time doing my Heavenly Father's business and leave it to family and employees to do my earthly father's business.

Blessings

Your Brother in the Lord

**Flooding in Maela Refugee Camp, Thailand & NE India**  
We received a report from our co-workers inside the Maela Refugee Camp near the Thai-Myanmar Border that the camp is submerged with water.

The water started to rise up at 10m today and has affected the Maela Bible School, the bible school kitchen, as well as the church near the bible school. According to our co-worker, it started to rain non-stop since last night and only stopped this late afternoon. As of this writing, the floodwater has started to recede a little bit. Pray for God's protection upon the Karen people in the camp. Pray also for our co-workers, the teachers and students in the Bible School and their families living inside the camp.

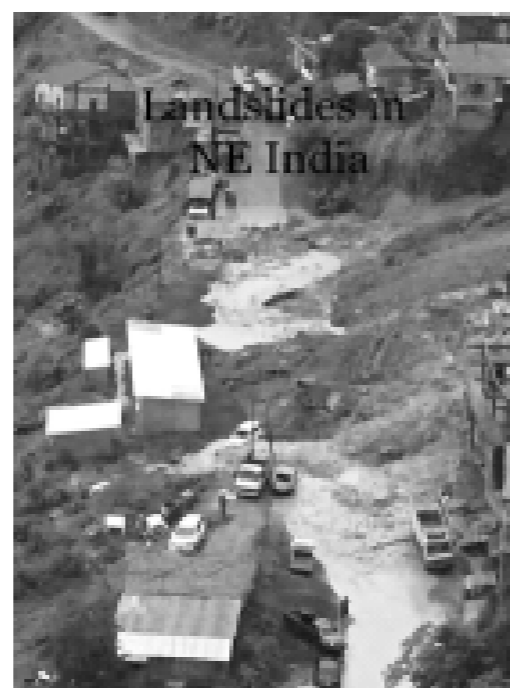

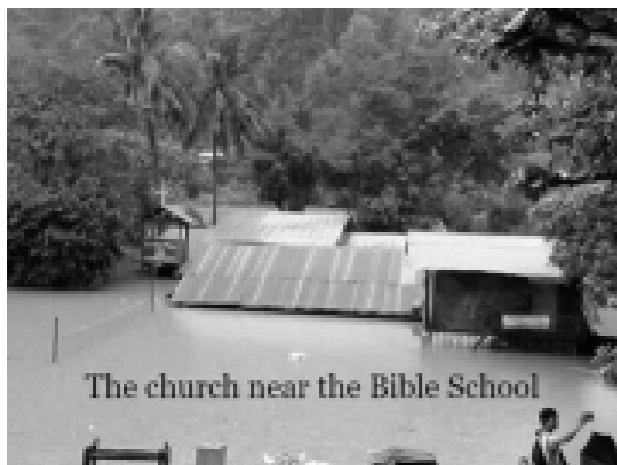

**Flood in NE India**

Torrential rains over the past few days have triggered flash floods and landslides, wreaking havoc in the states of Assam, Manipur, Mizoram and Tripura. Many were left homeless and roads were washed away in many parts of the state. According to reports, nearly 650,000 people were affected with a reported casualties of 12 people and 26,000 houses were destroyed; the situation is expected to worsen as monsoon season continues.

The Church has been at the forefront of the emergency response, but there is still much more to be done. We ask you to stand with us in prayer with these affected communities, and to help as we respond to the needs.
