## God of Increase

“I have not heard such teaching before,” said a young pastor who had approached me after a teaching session. I could see from the joy in the eyes of the others that what this young man had just said to me was true for the rest of them too. This was the first time they had received teaching on the power of blessing, the five-fold ministry and First Love... and they were hungry for more.

These church leaders had committed themselves to make disciples. Sitting under the teaching, training and equipping at the Body Builders for Christ (BBC) conferences would give them the tools and material to teach and impart to young believers over the coming year.

Each leader at the conference would receive 7 books which had been taught from in the conference and that they could then go on to use for teaching each disciple.

God was revealing Himself to these leaders in new ways. They were not only being taught, they were being filled with the power and love of the Father, and many got baptised in the Holy Spirit. They were being equipped for the work of the Kingdom.

With great joy and excitement the MO team from NZ and USA resumed the BBC conferences in October this year that had been postponed due to travel restrictions. At the completion of the 3 conferences, we have a total of 1,131 Nepalese churches involved in teaching, training and imparting Holy Spirit to 17,033 more believers.

Our God is a God of increase. Jesus calls us to go and make disciples of all men, and this God given strategy is about increasing His Kingdom in hearts and nations with the Gospel of Jesus, the Way of salvation, and letting the Truth of the Word do His transforming work.

### Christmas Outreach Crusades

In December this year MO is supporting a Christmas Outreach Crusade in Nepal. This will be hosted by various Nepalese churches, and church members are asked to bring a least one non-Christian to the meetings where Ps. Samuel Rai will share the Gospel. We are believing for 5 to 8 thousand people to attend these crusades and MO has committed to supply 5000 New Testaments with Psalms, Proverbs and 190 commonly asked questions and scriptural answers about faith in Jesus.

**Why not give the gift of the Word of God to new believers during the Christmas Crusade in Nepal this month? Please help us with this Pearl 22 project to bless the nations with the living Word of God.**

# Building the Body of Christ

**Jesus said our fruitfulness is the measure of our discipleship (John 15:8), that is, our abiding and following Jesus will bring about fruitfulness and increase. As we partnered with our Lord and served the Body of Christ in Nepal through the BBC conferences, we saw the impact of the Word of God in hearts through prayer, encouragement, equipping, and training. We saw Christ building His church in Nepal!**

Three internal flights, 26 hours of road travel over 800kms to the 3 conference locations, landslide and boggy padi fields, delays were nothing compared to the treasure of God's people – each one with their own story, journey, and destiny. Our team of nine was privileged to be part of God's work in these people, in praying, interacting, serving, and equipping them.

The team was greatly impacted by the experience. Each member operated in their unique giftings, and we got to see God multiply our efforts for His glory.

## Lynne

I can never be the same having now met the people of Nepal. My heart was so touched by their warm friendliness and I am inspired by all they have overcome.

Myself and 3 other women said 'yes' to being part of the team to Nepal. Though we were very different in age and experience, we all knew God had called us to go and to bring the love of God to the beautiful women of Nepal. Naomi, a Japanese lady on her first mission trip, Keziah a keen 18 year old from NZ, Debbie a NZ school teacher who had previously taught in Kathmandu, and myself.

It was a real joy for me to see the team being used in unique ways through teaching, testimonies, praying for the ladies, and interacting with the children.

We saw God move each time we taught on the baptism in the Holy Spirit and invited the ladies to come forward and receive. Immediately they all burst into tongues and the interpreter reassured us this was not their own language.

Just like the day of Pentecost, they were experiencing the Holy Spirit in a new way. Their hunger and zeal for God was evident as they also ministered to one another with some receiving healing.

There are 20 ladies in the 'Deborah' programme in Pokhara who are completing a five month discipleship course and being taught to sew so they can earn an income. These women are from very poor and difficult backgrounds, so it was such a joy to be able to bless them with encouraging words, prayer, and anointing with oil.

When we visited with the 300 children of Emmanuel School in Pokhara, the children were particularly excited to learn origami with Naomi!

This visit to Nepal will stay with me not only because it was my first trip there, but because of how the gentleness of the people touched my heart.

## Alan

After our ministry commitments were completed, Lynne & I took time to enjoy the beautiful city of Pokhara along with the multitudes taking a late afternoon boat ride on Lake Fewa. What we didn't know was that God was about to unfold an opportunity for ministry. When the young boatman found out we were Christians, he asked why Jesus was crucified. So we explained the gospel to this precious man and prayed with him that God would lead him. God brings the increase - Neil and Samuel had been showing the Jesus movie some years ago, and this young man saw it then and held these questions in his heart for 17 years. We were given the privilege to answer his questions and lead him closer to Jesus! We rejoice that where one sows, another reaps but it is God who brings the increase. Hallelujah!

PEARL 22

**Uganda Bibles**

The need for Bibles in Uganda is greater than ever to bring encouragement, give instruction, direction and transformation for individuals, couples, families and communities. What an honour to be able to meet this need. Price per bible is currently \$8.00.

**Pearl22 Project Goal: 25,000 Balance: 23,570**

**Chinese Bibles**

Project Pearl in 1981 was significant for Eddie and the many others who helped with this epic delivery of Chinese bibles. In recent times the Communist Party has significantly reduced the quota of Bibles printed and has also shut down Bible websites and apps. However God is making a way where there is no way to get Bibles to the believers. Help us do the impossible! Price per bible is \$4.50.

**Pearl22 Project Goal: 100,000 Balance: 88,360**

**Telugu & Hindi Bibles for India**

We have several contacts for India who all have a need for bibles in the churches they work with. The church in this nation is growing rapidly, as fear and persecution have opened the door for the Lord's people to reach out and share the gospel of Jesus. The cost per bible is \$3.50.

**Pearl22 Project Goal: 50,000 Balance: 48,065**

**Bibles for Pakistan & Afghanistan**

We are excited about what the Lord is doing and will do in these nations through the provision of P22 bibles, and are able to purchase them for \$5.30 each.

**Pearl22 Project Goal: 15,000 Balance: 13,190**

**Bibles for Iran - COMPLETED**

We have had an amazing response to this project and are delighted to report our first goal for 5000 bibles has been completed. Thank you so much for your generous support. Please continue to pray for opportunities to safely deliver these bibles into the hands of our brethren in Iran

**New Testaments with Q&A for Nepal**

Christmas time is here, so In addition to the 10,000 New Testaments we have already committed, we have received a request for another 5,000 for their Christmas Crusade in December. We welcome your gift to provide New Testaments for this significant outreach. Cost per New Testament is \$3.80

**Pearl22 Project Goal: 15,000 Balance: 10,430**

**Ukrainian New Testaments**

The Russian invasion of Ukraine has forced millions of people to flee the country and the loss of hope and trauma continue. In cooperation with other ministries, we are helping to feed these hungry souls with the Word of God and have been able to secure New Testaments for a very good price. As a result we have doubled our goal. Cost of these is \$1.20 each.
