Salvations in Ukraine

The gospel of Jesus Christ is the power of God to salvation! How true this is in Ukraine where God has activated the Body of Christ to risk their lives in treacherous conditions to deliver the Word of God!

Pastor Andrii and his teams continue to travel thousands of kilometers each week to villages most affected by the war. God's amazing interventions are often through the unsaved and unsuspecting.

Recently, a man who had just led three young military men in the Ukrainian army to Jesus reported: "The week after I led these men to Jesus, they were all in a helicopter preparing to go on a mission. Minutes before take-off their commander came to the helicopter and pointed to all three of the men recently saved to be transferred to another mission. They got out of the helicopter. Shortly after the helicopter took-off it was shot down. Tragically all those on board perished but the young men who had given their lives to Jesus a week earlier were spared."

This brings to life the Apostle Paul's words in 2 Cor.6:2b, in a real and powerful way, *"In an acceptable time I have heard you, and in the day of salvation I have helped you. Behold, now is the accepted time. Behold, now is the day of salvation!"*

Aid continues to be delivered and used to help meet the natural needs of the people and opens the door for the gospel to be preached to meet their spiritual needs. Thousands of people are opening their hearts to receive Jesus.

Funds sent from Mission Outreach to print bibles are a timely blessing for the people of Ukraine. Recently one thousand people were baptized and given a new Bible to celebrate. Because it is so rare to find full Bibles in the Ukrainian language, the people treated their gift like they had just discovered hidden treasure!

Thank you for helping get the word of God in to the hearts of the people of Ukraine. Please continue to pray for the new believers and pre-believers in this nation.

Miracles in Turkey

Where many aid organisations have been and gone, it is only the church that remains to share practical love with the desperate people of Turkey.

In February this year, Turkey and Syria experienced devastating earthquakes and aftershocks. With tens of thousands lost, and buildings and homes reduced to rubble, many people are still struggling even now to have basic needs of food and shelter met. The greatest needs are physical, mental and always spiritual. Here the church is the hands and feet of Jesus. Amidst the devastation there are stories of redemption and hope.

Selim is a young boy who lived with his family in a three-storey building in a city of Turkey. While asleep in their beds, the earthquake struck and tragically killed all in his family except Selim. Miraculously he survived and was able to escape from the building through a gap in the window by his bed. His loss was great, but thankfully his Grandparents were elsewhere and are now looking after him.

This is just one of many miracle stories in the midst of great loss. The people of Turkey are in great need of healing and restoration and kindness from the heart of their Heavenly Father. Selim (*Photo: in the green t-shirt*), now lives with his grandparents in a shipping container. Please pray for Selim to come to know the purpose and plan of God for him, and for complete restoration of joy.

The Body of Christ in Turkey is working together to help the families in need. Pastors are partnering together to get trucks carrying aid for the people. Teams are working together to move the aid and distribute food to families in each village. This beautiful unity is spreading and building bridges of relationship between the Muslims and Christians as they share in the aid.

Please pray for the church in Turkey to continue to minister the love of the Father to the lost souls of that nation and for His healing and restoration .

Pearl 22 for Turkey

John 16:33 "I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world."

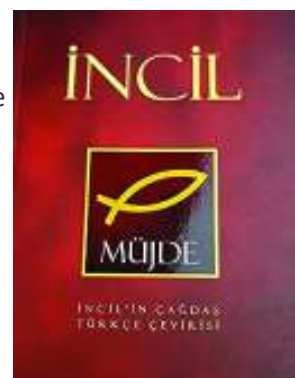

Often the Lord gets our attention through difficulties and tragedy. This is so true for the people of Turkey who as a result of the earthquakes in February, are desperate for answers, hope and help with the basics needs of life.

The Lord has activated the church in this nation to be His hands and feet to spread the gospel and provide food, clothing and water to meet their basic physical needs. Through this help they are able to build relationships and share the gospel and love of God with them.

By His leading, God has provided a wonderful opportunity for Mission Outreach to facilitate the provision of New Testaments as part of our Pearl 22 Project.

We invite you to join with us through prayer and giving, to build the Kingdom of God in this nation.

Please pray that the Lord will water the seeds of the Word of God that are and will be laid in the nation of Turkey and build His Kingdom there.

"I planted the seed, Apollos watered it, but God has been making it grow. ... For we are co-workers in God's service; you are God's field, God's building. By the grace God has given me, I laid a foundation as a wise builder, ... which is Jesus Christ." 1 Cor.3:6, 9-10a, 11b (NIV)

30 Pray for God's people to shine in the face of impossibility and bring glory to God, not self-seeking but to bring change in the lives of people around. To be windows that others look into and see the light and the peace of Christ. Ask for mouths open to declare the good news, the message of Christ, an eternal message to turn situations around.
