MONTHLY REPORT

MARCH & APRIL 2024

A Spiritual Awakening

The impossible is happening in Myanmar because, *“the people walking in darkness have seen a great light; on those living in the land of deep darkness a light has dawned” (Isaiah 9:2)*

Nearly 200 years ago, Adoniram Judson first brought the Gospel to Burma now known as Myanmar. While many tribes have accepted Christ, the majority of Burmese people have resisted the Gospel. Of the 54 million in Myanmar today, 42 million remain bound and firmly entrenched in their Buddhist beliefs.

These people have been completely unreached - until now! The Holy Spirit is moving, breaking down walls and barriers in their hearts and minds, touching adults and children alike with God’s hope, love, peace and truth.

Thousands of people from every walk of life in Myanmar, are being spiritually awakened, receiving the Word of God with great gladness, worshipping the one true God, and being baptized. God is touching many from amongst the slums, the poor, gang members, but also transforming the beliefs of Buddhist monks, emptying Buddhist temples, and freeing the captives.

The Churches are multiplying constantly in this nation, and disciples are being made.

Last year we shared a little about this wonderful revival that is transforming many communities in the country of Myanmar. Although the Gospel has been there for two

centuries, Christian growth has been slow and mostly among ethnic minority groups such as the Karen, Chin, Kachin and Lisu.

With society falling apart in Myanmar, multitudes of desperate Burmese have been finding truth and peace in Jesus Christ and His Word. In just one region alone, our partner ministry who works closely with those in this nation reported that believers grew from 2,000 to 7,000 in 2023 as the Holy Spirit powerfully reached into the poorest communities!

Many of those who have experienced God’s salvation for the first time are from the lowest rungs of society – prostitutes, drug addicts, gang members, and those who have become deeply disillusioned with life.

Thank you God for your faithfulness.

A Spiritual Awakening ...

God's faithfulness began many years ago with Adoniram Judson. It is awesome that some of his original translation, which was developed 200 years ago, is being used in these bibles.

We are so blessed to be able to work with Asia Harvest in their ministry of equipping the saints through the supply of God's Word to advance the gospel among the unreached.

Last year in support of this Kingdom partner and to help fuel the revival and establish new believers in the faith, Mission Outreach helped provide nearly 20,000 bibles, which is half of our 40,000 goal of full Burmese Bibles.

Please prayerfully consider helping us complete our Pearl 22 goal of 40,000 Burmese bibles this year.

Easter Motorbike Outreach, Nepal

"How beautiful upon the mountains are the feet of him who brings good news, who proclaims peace, who brings glad tidings of good things, who proclaims salvation, who says to Zion, 'Your God reigns!'" Isaiah 52:7

There's a special blessing upon those who bring the good news of the gospel. This Easter, our contacts in Nepal have come up with a novel way to bring the glad tidings. In this nation where evangelisation of strangers is not permitted, the Lord had given Ps Samuel this new strategy to reach souls during Easter.

He will be sending out two teams of volunteers on motorcycles to deliver New Testaments to their known contacts.

This two-team event is being planned for two different locations in Nepal at the end of March to coincide with Easter.

Both teams of 100 motorbikes, which include the riders and their pillion passengers - a total of 400 volunteers on outreach - are to prepare a list of at least 15 contacts. Everyone will then gather for instruction, worship, prayer and commissioning, before the 200 motorbikes head out under the cover of God's blessing, to deliver their precious cargo of New Testaments in their backpacks, to those on their lists.

Following delivery the teams will re-assemble for thanksgiving and prayer.

If you would like to contribute to this project we have split it into two parts. Part one is to cover the logistical costs of petrol, location costs, and refreshments, and the other part is to cover printing of the 6,000 New Testaments to be given out.

2 Timothy 3:16,17 "All Scripture is given by inspiration of God, and is profitable for doctrine, for reproof, for correction, for instruction in righteousness, that the man of God may be complete, thoroughly equipped for every good work."

Bibles to the Nations

A Partnership with Kingdom Purpose

I want to express a special thanks to Mission Outreach New Zealand, who have supported our leaders and graduates throughout the world, providing bibles to them for distribution to their Nations.

Bibles are Gold to these precious people, and we are managing to get them into some of the most closed Nations of the world.

This is a huge blessing beyond words and their vision to sponsor one million bibles into the world at this time is completely perfect.

May God bless this continued work.

Great News from Uganda!

Thank you to those who continue to support Ugandan Pastors and bibles. It is only God's Word that will change a life, a couple, a family, a community and a nation.

Gladys has seen 50 become followers of Jesus through Christmas food being shared with families in her very poor community.

Pastor John has a vision beyond the status quo. He sees that unless children and youth are taught Biblical Truths, Uganda will revert to a seriously pagan nation open to brutal Islamic ideology.

Over 5,000 have become followers of Jesus from an outreach to an area near the Congo border where they also gave out bibles.

Pastor John is passionate about the power of the Gospel being offered to as many as can be reached in a population of 49 million. We're thrilled so many are responding, but so very aware there are millions still trapped in bondages to witchcraft, loneliness and unforgiveness.

In July this year, during the dry season, the Lord has called us back to minister to and be inspired by, these amazing African Church Leaders who organise themselves to be the labourers in such a vast harvest field. The Lord has given them various strategies to reach their people, sometime by door knocking, other times by rallies. At the same time, they are committed to teach the 75% of the church who are quite young as well as the adults, how to live God's way.

Please pray for Uganda, for John, Ruth and Gladys as they faithfully press on toward their goal to reach as many lost souls as they can, with the love of Jesus and the Word of God. Pray also for their health, as they all suffer with various difficult health conditions.

Thank you and blessings
Bruce & Margaret
