## Heart to Heart

*"We have never heard this teaching before! We have always been taught head to head, but your teaching is heart to heart." This was a common response after the BBC training seminars in March this year.*

**God is using the BBC training to advance the Kingdom of God in Nepal. Over recent years a total of 21,400 Nepalese have been disciplined by 1,430 Pastors that the MO team have helped train.**

The most recent BBC training seminars were held in 3 locations in East Nepal in March this year. A MO team made the trip to help once again with this, and also to visit, bless and pray for various other ministries. Following is Alan's report.

Having now completed my fourth mission to Nepal teaching in the BBC seminars it's still a privilege to bring the Word of God to the eager pastors who come for the training. We graduated 182 Pastors who will teach and disciple over 2,640 new leaders.

This time in the training we felt to put more of an emphasis on leadership character and moral purity, in addition to our usual focus on baptism in the Holy Spirit, five-fold ministries, Awesome Power of Blessing booklet, and servanthood.

The vision of the BBC seminars is that each church is a training centre in order to multiply disciples. At the completion ceremony each pastor is given a stack of booklets for their trainees in anticipation of the months of discipling which will happen back in their churches. Please pray for them.

In addition to helping with the 3 BBC training seminars, it was a privilege to visit one of the four other pastors training facilities in East Nepal, and hear of Samuel's vision for expansion.

The programme that runs in the pastors training facilities is designed to bring pastors in for a short time while still enabling them to minister in their churches in the weekend.

Assignments are given and there is cell phone follow up. Nearby we prayed over an empty building where Samuel's vision is to extend the building to accommodate students for more in-depth theological training, leading to a recognised diploma.

We were also able to view a piece of land Samuel has a vision to develop as a storage facility for literature distribution. We are excited to say that since our visit the land has been purchased and – pending additional provision of funds – a building is soon to be commenced.

We loved meeting with Samuel's older brother who visits and evangelizes mountain villages and often sees whole villages come to the Lord.

While visiting Emmanuel School in Pokhara and meeting some of the sponsored children, we were challenged by the Lord to provide more support for one of these under-privileged children by way of securing a cleaning job for her mother at the school.

## Heart to Heart ....

There are always many challenges and obstacles to navigate, as we have an enemy in the heavenly realms who is able to influence people. But despite the very real difficulties, we saw the truth of *Isaiah 9:7* 'Of the increase of His government and peace there will be no end.'

We came away very encouraged by all that God is doing to build His church in this precious and beautiful nation at the top of the world.

## Trumping the Enemy

**The Nepalese Civil War in the 1990's and early 2000's resulted in the proclamation of a secular republic in 2008, ending the worlds last Hindu Monarchy.**

The "Constitution of Nepal" was adopted in 2015. The establishment of Nepal as a "Parliamentary Republic" was divided into "Seven Provinces" and "Seventy Seven Districts." 777 trumps the enemy's plan with the mark of the beast of 666!!

Little did the Members of Parliament know they had declared that God's call on the nation was a prophetic one symbolizing completion or perfection in triplicate.

In 2018 the Lord lead us to begin teaching on the 'Five-Fold' ministry in Nepal, through 'Body Builders for Christ' (BBC).

Since then I have had the honour of serving MO in establishing a prophetic picture to many church leaders in this nation.

This trip in March was my final trip to Nepal, and I was very blessed and honoured to receive a beautiful plaque of thanks for my service to the Body of Christ in this nation. My heart is full as it has been captured by these people now and since 2004.

Dr Samuel visited with us in Phoenix last year and my focus now will be in establishing MO USA as a platform to establish Body Builders for Christ state-side as Samuel returns to renew decade long relationships with supporters here in the U.S.

## The Light of the Word

***Psalm 119 v130 tells us that 'The entrance of thy word gives light, it gives understanding to the simple'.***

This is the major part of the work of Mission Outreach, to get God's word to the people who are so desperate to have a copy of the scriptures in their language for themselves.

The vision of Pearl 22 is exactly that, to get 1 million scriptures into the hands of the needy, based on our late founder Eddie Cairns' bold project in 1983, of taking 1 million Bibles into China by barge. To this end, we are very blessed to partner with Pastor Emmanuel and his team who are doing an amazing work getting scriptures into remote areas of Pakistan and other nations close by.

Please pray for Pakistan as there has been so much political unrest and persecution of Christians in these last few years, particularly in the Punjab region. People are desperate for answers to their questions 'where is the safety?', 'where is the peace?', 'where is the hope?'

We know that true peace and hope can only be found in Jesus, the One who comes alive in our lives when we open up His Word. Jesus is the only author who steps out of His book and into our lives, causing His Word to bring life to us.

Please pray for Pastor Emmanuel, his family and the team helping him, for Angelic protection over this work and for wisdom as they go about the distribution of God's word.

Clive

***"I planted the seed, Apollos watered it, but God has been making it grow. ... For we are co-workers in God's service; you are God's field, God's building. By the grace God has given me, I laid a foundation as a wise builder, ... which is Jesus Christ." 1 Cor.3:6, 9-10a, 11b (NIV)***
