## A Plea to Pray

**“For years we have been shouting for help but no one comes. Please pray for us and understand that the Islamic Republic is NOT Iran.”**

**This message was sent recently to beg the church in the West to pray for Iran and for all hostages of the Islamic Republic, the Ayatollahs and this evil regime.**

The morality police are back again beating many to death for not keeping their Islamic laws and rules. Please tell the Western Church – the Islamic republic is NOT Iran!

We work for USD100 a month, so many of us are hungry and many are struggling mentally because of sanctions on medicines and other necessities. The rate of suicide is the highest it's ever been.

We pray for hours for Israel to be safe and that none will die. We were so happy when we heard about the attack on Israel because we thought and hoped it might be the beginning of our own nation being invaded by Israel and the US in order to save us.

We also pray for our US and Jewish brothers the Israelites and that we would love them to come and set us free. Let it go down in history that the Iranians want to be invaded by the west and Israel, to set us free from the Islamic devil.

Please beg the church in the West to pray for us and the innocent people in Iran because we have been under attack by this evil regime for 47 years now.

If we are strong and wise enough not to kill ourselves, we may end up dying in prison for not obeying the Islamic Republic or for loving and believing in our great Jewish King Jesus. We declare Yeshua is our God!

Please, please pray for Iran!

## Partnering with the Spirit

**Ministering in Nepal was uncomfortable at times, but totally freeing in our spirits, our obedience taking us that little bit closer on our walk with Jesus. As we shared in prayer ministry, talked about our own faith journey, or explained key Bible teachings that have impacted and guided our lives, we experienced first-hand how God can work through us when we step outside our comfort zones, operating beyond our natural abilities, as we learn to trust and be led by the Holy Spirit.**

Something that stood out for us was visiting the Deborah Sewing Training in Pokhara. Meeting these young ladies was truly a blessing. It's heartening to witness that as these women walk alongside Jesus, they are bringing hope and a brighter future to their own lives and to their communities. This course not only taught them sewing skills, which would provide income for their families upon returning to their villages, but also equipped them with basic medical care skills and disciplined them as young believers. The Deborah Training is such an awesome project that equips and transforms lives and villages.

We were deeply impacted by the hunger and passion of the pastors who gathered for BBC training. We could see and feel their hunger for God's word, the passion in their worship, and the personal sacrifices that they willfully made for the sake of the gospel. It was a very humbling experience. It felt like we received more than was ever given out! Imagine having these precious brothers and sisters reaching out to us in the western nations! God is alive and very active in the Nepalese churches.

We also found that the hearts of the Christian women in Nepal were soft and receptive. They were eager to hear God's Word and welcomed many opportunities for prayer. We witnessed the hand of God at work in the hearts and lives of these beautiful women. Many received His outpouring love, forgiveness, and acceptance through the Holy Spirit.

It was an immense privilege to pray with the MO team over new "seed projects" in Nepal. These projects are poised to expand the Kingdom of God and empower the Nepalese people, as well as other nations in the region. It was such an opportunity to bless these new beginnings that are set to flourish!

As first timers on an MO team, we felt hugely blessed to be part of the eight-member team from New Zealand and USA to disciple, equip, encourage and support the work of the Spirit in the Nepalese local Christian community.

## The Power of Forgiveness

**My trip to Nepal was a testimony to the ways God uses His people to convey love and encouragement to brothers and sisters around the world.**

Although I myself have previously worked in China in the underground church, I have never ministered abroad as part of a team. I experienced first-hand the beauty of acceptance, encouragement and impact that comes from being part of a unified team that recognises the specific strengths of each individual.

The rest of the Nepal team I felt were far more experienced in the ministry than I, so for the most part, I followed, obeyed directions, and learned. I was blessed and inspired by the team and loved their devotion to us and the training, healing and prayer and encouragement of others in their vision for the work of the Kingdom.

I was so blessed that while I shared a testimony to encourage the believers, God was also moving in my own heart too.

The testimony that I shared incorporated the importance and power of forgiveness. I shared that many believers claim that they are willing to die for their belief in Yeshua, and yet do not feel capable of forgiving someone who has profoundly grieved them.

Jesus commands that we forgive. God gave me deeper insight even as I shared. I was moved to give a more sincere level of forgiveness, to take it to a deeper level. If I am willing to die for my faith in Yeshua, then I am all the more determined to give my ALL in obeying Him.

As we served faithfully and diligently, we also enjoyed lots of laughs along the way!

As I reflect on this Nepal trip, my desire has expanded to do more for Christ, whom I love and hope to glorify more with the time I have remaining on this earth. For I find no deeper gratification in life than to please Him.

## In Memory of Meiling Sutphen

**With deep sadness, we share the unexpected news of the passing of our beloved friend and sister in the Lord, Doris (Meiling) Sutphen, on Thursday, May 2nd.**

She and her husband Brother David (Doug Sutphen) were dear friends of Eddie and Betty Cairns and the MO team.

While our hearts grieve, we find solace that she has found eternal peace in the embrace of our Lord Jesus Christ. We await the joyful reunion we will share in His presence one day.

*"I have given to them the glory and honor which You have given Me, that they may be one, just as We are one; I in them and You in Me, that they may be perfected and completed into one, so that the world may know [without any doubt] that You sent Me..." John 17:22-23a (AMP)*

## PEARL 22

### Audio Bibles for Pakistan (New)

We have been presented with the opportunity to help supply audio bibles for Pakistan. The technology enables multiple languages and allows the visually impaired to have access to God's Word along with all other believers. At \$12 each, we are looking to fund 500 of these units.

**Pearl 22 Project Goal: \$6,000**

### Bibles for Iran (New)

Despite government efforts to ban bibles in Iran, their actions made the people more eager to have one. Demand for these has soared and many say they have been searching for years for a copy. Help us help the brethren in Iran to have their own Bible.

Cost per bible is \$8.00.

**Pearl 22 Project Goal: 5000**

### Burundi New Testaments

Our brothers and sisters in Burundi live in poverty and are unable to buy their own bibles. This has led to false teaching and beliefs. The Lord has opened the door for us to help provide New Testaments to them and invite you to join us. The cost per New Testament is \$4.30

**Pearl 22 Project Goal: 10,000 Balance: 3,299**

### Myanmar Bibles

God has awakened souls in this nation, and many people are coming to Jesus who need bibles to help them grow. Price per bible is \$4.50, and our initial goal is for 40,000 bibles. Thank you to our supporters as we are nearly half way to completing this Pearl 22 project.

**Pearl 22 Project Goal: 40,000 Balance: 21,780**

### Uganda Bibles

The provision of Bibles in Uganda has created unity with the pastors and begun a revival in the areas where they have been given. What an honour to be able to meet this

need. Price per bible is currently \$15.00.

**Pearl 22 Project Goal: 25,000 Balance: 20,675**

### Chinese Bibles

Bibles for China are always needed, and despite the government making it more difficult for believers to get a bible, we believe God will make a way. Price per bible is only \$4.50.

**Pearl 22 Project Goal: 100,000 Balance: 80,065**

### India Bibles: Telugu & Hindi

The church in this nation is growing rapidly, as fear and persecution have opened the door for the Lord's people to reach out and share the gospel of Jesus. The cost per bible is \$3.50.

**Pearl 22 Project Goal: 50,000 Balance: 41,620**

### Nepal New Testaments with Q&A

As part of Pearl 22 we continue to need finances to print more New Testaments with Questions & Answers, initially for the Motorbike Outreach during Easter, but also Samuel's ongoing need for these which may soon be printed in English as well. Cost per New Testament with Q&A is: \$4.70

**Pearl 22 Total Goal: 10,000 Balance: 9,336**

**10** Pray for healing for the injured, comfort and strength for those in solitary confinement.

**11** Praise God that He is moving amidst persecution and the Church is growing in many nations. Praise God for gospel podcasts that are bringing hundreds to Christ. Pray for the fire of truth to burn through these restricted nations.

## UGANDA
