Joy of the Word

“What beautiful news to hear, I have tears in my eyes as this is going to change the lives of so many people here in Zambia. Praise Jesus!”

This was the response from Celeste from NZ, who is living in Zambia and working with vulnerable and orphaned children in Lubasi Orphanage and sexually abused girls in Lushomo Orphanage.

Celeste’s role is advisor and spiritual teacher to the orphans, plus helping wherever and however she can with the children generally and bible studies.

Zambia is a landlocked country in South Central Africa. It’s capital is Lusaka, located in the central southern part of the country. In the north is the Copperbelt Province, where an abundance of copper is mined. The population is most concentrated in these two economic hubs.

Copper is only one of the natural resources Zambia is rich with. It is also blessed with other minerals, wildlife, forestry, freshwater and arable land.

Despite it’s rich natural resources, today around half of the population of 20 million live in multi-dimensional poverty - a measure derived from assessing not just their monetary wealth, but also including their health, education, and a range of standard of living indicators.

Formally known as Northern Rhodesia and under British rule, Zambia gained independence in 1964.

Christianity came to Zambia with European colonialism. It has had various religious influences from missionary efforts such as Catholicism, Anglicanism, Seventh Day Adventist, Lutheran and New Apostolic. When Frederick Chiluba, a Pentecostal Christian, became president in 1991, he declared Zambia a Christian nation.

Christianity is still the official religion with 95% of Zambians identifying as having a Christian faith. However many ungodly influences and historical beliefs during the pre-Christian era, have had a devastating effect on this nation and its people. Hence, there is much more to be done including the provision of God’s Word into the hands of believers.

Joy of the Word...

As a gifted “connector” in the Kingdom of God, Celeste has seen God provide many divine connections for her in the short time she has been in Zambia.

Firstly, there is Ronald. He started the Discipleship Making Movement (DMM) and is based in Lusaka region where he has been discipling a number of leaders who have others they are discipling. All these people will need bibles.

Celeste has also connected with Mr Ranjan who operates the Grace Training Centre. Mr Ranjan is also working in 27 villages and implementing DMM throughout the region which has had a phenomenal impact on the growth of the church physically and spiritually.

Celeste’s church also has missionaries all over Africa who have a great need for bibles also. When she asked

everyone if they needed bibles their immediate responses were, “Yes, please can we have more bibles for our people?”

The leaders determine who is hungry for the Word and for the Lord, wanting to go further with God, and therefore genuinely needing a bible. All the leaders are saying they are in desperate need for bibles!

The plan is that the leaders of DMM will be going into many areas and villages with bibles to distribute to those who are hungry for the Word of God.

With Christmas upon us and the season for giving gifts, it is the perfect time to help us give the gift of bibles to this nation or others as part of our Pearl 22 One Million Bibles Project.

Violent Backlash in Uganda

Islamic crusaders and rebel groups passionate for the spiritual reformation of Islam continue merciless violence and murder toward any threat to their dominion, namely any convert to Christianity from Islam or any Christian evangelist converting people from Islam to Christianity.

This has been happening globally for decades wherever these groups form in many African nations and including in Uganda.

In 1995 the Allied Democratic Forces (ADF) was formed as a merger of several rebel factions, including the Allied Democratic Movement, the National Army for the Liberation of Uganda (NALU) and other militant groups.

With the rebels on the run from the Ugandan military, the governments of DRC (formerly Zaire) and Sudan were at odds with Uganda at that time and reportedly provided backing for the movement.

It was originally formed as a rebel group to overthrow the government and uses kidnapping and murder of civilians to create fear in the local population and undermine confidence in the government.

They are intent on promoting stronger adherence to the teachings of Mohamed and calling Muslims to spread Islam through preaching missions.

Such religious devotion seems admirable, yet the fruit of it is anything but good.

The ADF was responsible for the massacre of 42 Christian school students in 2023, murdering a white tourist couple, the killing of ten Christians just before Christmas and in 2024, for the murder of Pastor Richard Malinga when he was on his way home from church. These acts were “to teach them a lesson... for refusing our religion.”

Despite the attempts to destroy God’s people, we know He has already won the battle because of Jesus. God is moving and the kingdom of darkness is under threat. “For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.” (Eph. 6:12 KJV)

The Body of Christ is called to rebuke the kingdom of darkness and usher in the Kingdom of God on earth.

Pray for fellow believers, for the prayer of faith is powerful and effective against the enemy. Pray for Jesus to reveal himself to the members of these rebel groups, so that their devotion would pour out instead to the Lover of their souls, and extend the influence of God’s Kingdom in the earth.

“From the days of John the Baptist until now the kingdom of heaven has suffered violence, and the violent take it by force.”

Matthew 11:12 (ESV)

Nepal Flooding Disaster

The late monsoon/heavy rain disaster in Nepal in September this year has led to a tragic loss of life, with the confirmed death toll reaching 239.

The days and days of heavy rains have caused serious flooding and landslides. In addition to the fatalities, many dozens of people remain unaccounted for, raising concerns about the ongoing impact of this disaster. 1750 people have been rescued and hospitalized. A total of 178 people have sustained injuries. Over 4000 houses have been swept away and also many vehicles, and there is hardly any electricity. Many livelihoods, such as crops and animals, have also been destroyed.

Many roads have become blocked, making travel difficult. Key highways are underwater, leaving some communities cut off and slowing down delivery of aid. Parts of the roads have even been washed away, creating hazards for drivers and pedestrians. Rescue teams are working hard to clear the roads and restore access, but the ongoing rain is making recovery efforts tough.

Friends of Samuel Rai and church leaders have been in contact with him, desperately asking for help. The urgent basic needs of the flood victims were rice, cooking oil, tents, blankets, solar lights, salt, and medical kits.

From your generous responses to our call for help and the MO disaster relief fund, MO was able to send \$6,000 in October towards flood relief supplies. Samuel has been able to give out large bags of rice to hundreds of families in the flood areas in East Nepal using the funds sent.

Flooding in Nepal leaves behind deep emotional scars, with people's lives and communities reduced to ruins while families struggle to cope with loss, trauma, and the challenge of rebuilding amidst overwhelming despair. The people of Nepal need our strong prayer support.

May God pour out His mighty Holy Spirit upon a devastated nation. Ask for God's mercy to reach out to this land, so that hearts would return to the Lord. Pray that the River of Life would flow through this land and revive the people. Pray for deliverance from believing in false gods. Pray that the Hindu worshippers will know that their millions of gods can't save them.

Please consider giving to MO Disaster Relief Fund so that we are ready and able to respond quickly to future events.

"Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes. For you will spread out to the right and to the left; your descendants will dispossess nations and settle in their desolate cities." Isaiah 54:2-3 (NIV)
