MONTHLY REPORT

JANUARY & FEBRUARY 2025

Joy of the Jubilee

This year - 2025, is the 50th anniversary of Mission Outreach. It is a year of jubilee being 50 years since the Lord gave Eddie Cairns the vision to begin the Mission in 1975.

Being a Jubilee year, it is a very special anniversary to celebrate and rejoice for all the Lord has done through Mission Outreach. A celebration for the thousands of souls who have received life and liberty as a result of the provision of the Word of God and empowering believers through training and equipping.

We also celebrate the many hundreds of people who have served the Lord with MO over the years, whether by giving, praying, serving, or going.

Leviticus 25 talks about the 50th year being the year of Jubilee following the 7th sabbath year (49th).

It was on the Day of Atonement that a ram's horn would announce the 50th year - the year of Jubilee.

In the Jubilee year, not only did the Sabbath year rules apply to the land, but it was a time for debts to be cancelled, slaves to be freed, sold property to be restored to original owners, and people to return and be restored to their families.

The Jubilee was a time to celebrate the restoration of the land of inheritance and the reconciliation of families that had been separated by various circumstances.

In Luke 4:16-19, Jesus began his ministry by announcing the Jubilee year. He opened the scroll of Isaiah and read from chapter 61, *"The Spirit of the Lord is upon Me, because He has anointed Me to preach the gospel to the poor; He has sent Me to heal the broken hearted, to proclaim liberty to the captives and recovery of sight to the blind, to set at liberty those who are oppressed; to proclaim the acceptable year of the Lord."*

Joy of the Jubilee ...

What an announcement. We love how Jesus read this, closed the scroll and sat down. All eyes were on Him and everyone was dumbstruck because it was such a significant declaration!

Those listening to Jesus in the synagogue that day would have known that the mention of “proclaiming liberty” and the “acceptable year of the Lord” were references to the Jubilee year of Leviticus. Jesus was not only announcing the Jubilee year, but also proclaiming that He Himself would bring liberty, healing, freedom and restoration which God had decreed for this appointed time.

Jesus declared the Isaiah 61 scripture was fulfilled in that moment. It would have been like the blowing of the Ram's Horn!

Jesus not only brought release to many while he walked the earth, but His atoning death on the cross was to bring permanent liberty and freedom for all those held captive to sin who would choose to receive this salvation.

The Lord has guided us as we have shared the Gospel to tens of thousands of people. We have supported the training of thousands of believers and been involved in purchasing and either delivering bibles or facilitating the delivery of hundreds of thousands of Bibles into many nations throughout the world.

We are servants of the Lord and we have a place as labourers in His harvest field (as in Luke 10:2). We are honoured to be a part of helping build His Kingdom on earth.

Throughout 2025 we will look back on the last 50 years and celebrate God's faithfulness. We are so blessed that He considers us worthy to be about our heavenly Father's business.

We are full of gratitude for all our supporters over the years who have embraced the vision of Mission Outreach and partnered with us. Thanks be to God and to you all!

Planting Seeds

Above: The First Mission Outreach Board
From Left: Evi & Sam Abplanalp, Betty & Eddie Cairns, Zoe & Franky Grant.

The Lord planted a seed in Eddie's heart when he heard the testimony of Richard Wurmbrand who was from Romania. A man mercilessly tortured and imprisoned for his faith for 33 years.

The resolve of this man of God to preach Jesus regardless of the persecution, challenged Eddie. *“I looked at this man and knew that his eyes held more pain than I could comprehend.”* Eddie would never be the same again.

The next turning point was in 1975 when Rudy Lack of YWAM shared about Russia and the Iron Curtain. When Eddie saw a photo of a bible delivery point in Moscow during the meeting his heart leaped as the Holy Spirit stirred in him. *‘That is what I want to do’* he declared.

The next day during his quiet time, the Lord put on his heart to start a mission. He called his friend Sam (see photo) who agreed to join him, and later Franky. It was during a personal meeting with Rudy Lack, that Rudy suggested Eddie call the new mission, Mission Outreach.

New Zealand had its first mission to the suffering church!
(Pages 75 & 77 of ‘To Catch the Wind’ by Eddie Cairns)

And he said to them, “The harvest is plentiful, but the labourers are few. Therefore pray earnestly to the Lord of the harvest to send out labourers into his harvest” Luke 10:2 (ESV)

1975 to 1985: A Decade of New Beginnings

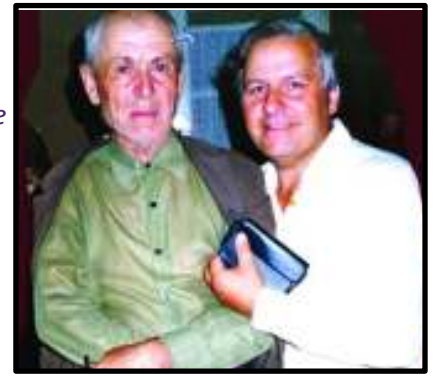

Left: Eddie with a Romanian Pastor in the 1970's.

In 1976 Eddie and Betty went on their first mission trip.

"We were about to penetrate the menacing Iron Curtain of Central and Eastern Europe. Our great adventure with God was about to begin. Little did we realise that this was to be only the first of many."

"Wearing a khaki military uniform and firmly gripping his automatic weapon, the grim-faced Hungarian border guard strode toward our car. He stopped at the driver's door. ..."

(Excerpts from Pages 87 & 89 of 'To Catch the Wind')

Doors closed to Albania:

It was on their second trip to Eastern Europe they attempted to get into Albania. However it was not to be. Yet their purpose was fulfilled as they planned to pray on the land and claim it for Jesus, which they were able to do while waiting in the plane.

Asking a hostess why she didn't get off the plane: *"Nobody except the pilot is allowed off in Tirana"*, was her reply. *"Remember this is Albania!"* (See Chapter 10 of Eddie's book.)

Dangers in North Korea:

"Look out Ivan, I shouted. That guy on the roof has a gun and he's aiming it straight at us. I heard a metallic click, but the soldier held his fire. Still, he kept the weapon pointed directly at us. For what seemed like an eternity, I stood and looked down the barrel of the soldier's gun which was pointed unwaveringly in my direction. Then he lowered his weapon and waved for me to move on. I did with great relief. What an introduction to North Korea, I thought." (Excerpt from Chapter 11)

After many delays the team are finally ready to go when a typhoon is reported.

China: *"Ivan and I (Eddie) knew there was only one solution - that was prayer. We completed our chores of cleaning toilets and washing dishes and went to our place of prayer in the lookout. As we prayed, Ivan saw a vision..... He turned and said, 'Brother Eddie, I saw a tunnel of light through the storm. I believe God is going to take us through in safety.'"* (From chapter 12 of 'To Catch the Wind.')

Left: Chinese woman reading a Braille bible.

Right: One of Eddie's first visits to Tibet

Right: In the prayer room and during mission trips the call was always to 'Pray without ceasing' for the nations and claiming them for the Kingdom of the Living God.

"Enlarge the place of your tent, stretch your tent curtains wide, do not hold back; lengthen your cords, strengthen your stakes. For you will spread out to the right and to the left; your descendants will dispossess nations and settle in their desolate cities." Isaiah 54:2-3 (NIV)
