God's Divine Plan for Iran

Iran dominates the headlines with conflicts, threats, secret alliances and nuclear ambitions. But what few realise is that its beginning and end are written in the bible under its ancient name - Persia.

God's divine plan was to use Persia to free His people, rebuild the temple and fulfill Daniel's prophecies. It all starts in Genesis that God reveals how the nation of Persia was born.

After the flood only Noah and his family were left and his sons became the forefathers of all nations. Two became patriarchs of the Persian Empire. The Medes rose from Japheth's son, Madai who settled in the northern mountainous region which is part of modern day Iran.

From Shem's son Elam, the Elamites were born and settled in the south western region of Iran near the Persian gulf. Elam became the first nation to attack God's people when they invaded Canaan and took Abraham's nephew Lot and his people captive. Abraham with about 320 servants and God's favour, rescued Lot and freed the captives. It was a victory that defied human logic.

The Elamites and Medes didn't disappear, but eventually grew into the pagan, Persian empire that God would use as an instrument of judgment, liberation and redemption over the course of many generations. He revealed His plans to Daniel through prophetic dreams and visions how He would raise up another kingdom, one destined to replace Babylon that would play a crucial role in the destiny of His own people.

So it was, in due time, God raised up Cyrus who released His exiled people to return to their land to rebuild the temple destroyed by Nebuchadnezzar. In Daniel's visions, Persia takes centre stage in God's divine plans. He also used King Ahasuerus of Persia and his new chosen Jewish Queen - Esther to usher in a fortress, throne and shield for God's people within the Persian Empire.

Persia went silent for centuries, but remained near until we read in Matthew 2:1-2 about the Magi from the East, most likely from the ancient lands of Medo-Persian empire known today as Iran. The Magi were intelligent, well learned men who read extensively and understood times and events and were very aware a Messiah was to be born and recognised His star. They came to Jerusalem to give gifts and worship Him. Their gifts were significant and prophetic - Gold declared Jesus Kingship, Frankincense recognised His divinity and Myrrh prophesied of his sacrifice and death.

The Persia that had destroyed Jerusalem, freed Israel and rebuilt the temple also became the first to honour and worship its Saviour. Once again Persia served as an instrument of divine revelation.

Throughout history, every empire has been against Israel, but all of them have fallen. Jeremiah 31:35-36 declares " ... He who appoints the sun to shine by day, who decrees the moon and stars to shine by night, who stirs up the sea so that its waves roar - the Lord Almighty is His name. ³⁶ "Only if these decrees vanish from my sight, ...will Israel ever cease being a nation before me." God's favour remains on Israel and His promises are sure.

In 1979 the Islamic revolution began in Iran and with it the implementation of Sharia law in the constitution, judicial system and public life. Initially, the people were in favour of it, but since then, many people have become disillusioned with Islam and have a hunger for truth.

God's Divine Plan for Iran ...

Many are reporting Jesus appearing to them in dreams and visions. Others are being healed and often whole families are coming to accept Jesus as their Lord and Saviour.

The rulers of Iran are trying to stop the Christians who are being imprisoned, raped and killed for their faith in Jesus. Historically, no one attacks God's people without stirring God's wrath.

Jeremiah 49:35 "The Lord of Hosts says, Behold, I will break the bow of Elam, the foremost of their might."

I was told by a Chinese pastor many years ago after delivering Bibles into China that "Persecution is the essence of revival. Much persecution, much revival."

This is exactly what is happening in Iran today – Revival! Amazingly, it has been reported that Iran has the fastest growing church in the world. With so many new believers, few have their own Bibles and despite it being illegal to own one, they desire greatly to own one. As part of Pearl 22, MO has for some years been quietly supporting the printing and distribution of Bibles into Iran and Afghanistan and plan to print more for these nations in the near future.

We are so thankful that the Lord has gone before us and stirred many to give for these bibles, as the need is great in this nation with so many hearts open to the life and love of Jesus.

Transforming Faith

A Naxalite is a person who belongs to a radical communist (Maoist) group in India. In simple terms, they are people who use violence and armed struggle to try to change the government and fight for the rights of poor farmers and tribal communities. The name comes from a place called Naxalbari, where the movement started in 1967.

Last year MO funded bible distribution among this remote people group. We are now, by the grace of our loving God, overjoyed to

share that six Naxalite people gave their hearts to Christ just two months ago and have committed to follow Jesus Christ! They still carry their rifle with them for the protection of their community and family, but have decided not to harm anyone.

This is a powerful testimony of how the Word of God is transforming lives even in the most challenging places.

Your partnership is making an eternal impact. The Bibles MO provides are not just books—they are bringing hope, truth, and salvation to those who have never known the love of Jesus.

We want to express our heartfelt gratitude for your generous support in providing these Bibles. Because of your kindness and obedience to God's calling, we are able to raise disciples of Jesus Christ and reach out to some of the most unreached people in India, including the Naxalites.

With gratitude and prayers,
Pastor E

Pressed but not Crushed

There are millions of believing families around the world facing persecution. The Word of God builds and transforms the inner man and enables Christians to stand in the face of opposition. This includes India where the government is making it more and more difficult for those who choose to believe in Jesus.

In a remote village in India recently, three families were thrown out of their village by a radical Hindu group because they refused to deny Christ. The families, including elderly and mothers with little children, were forced to sleep under the open sky in the cold of early Spring.

These three families each received a Bible last year from Pastor E, funded by MO supporters. Through those pages, they found Jesus — and gave Him their whole hearts.

But it cost them dearly as they lost their homes and everything they had, yet they did not lose their faith.

They were rejected by people — but not by God.

Their only "crime" is loving Jesus.

MO has now helped Pastor E support these families with material needs such as blankets and food. The church family took them in and helped to rebuild their homes so they could return to their village.

Continue to pray for them and many others that they will continue to stand in truth and faith, and give testimony with boldness.

May the Lord shelter, protect, and provide for these brave families who chose Christ over comfort.

Pray for Pastor E who like many other brothers and sisters in Christ worldwide, lives faithfully in the face of the threat of death.

Thank you MO Family for your love, prayers and support.

Clothed in Strength and Dignity

The Deborah Training Centre takes young women from poor and vulnerable families and provides training and discipleship. They receive Bible teaching and also learn important life skills such as healthcare as well as vocational training in sewing and cutting. This enables them to start their own sewing business in their home village to generate income for themselves and their families. The Deborah Training Centre not only trains young women, it gives them value, dignity and purpose.

Mission Outreach has been supporting this ministry since it began, and it continues to be close to our heart because it empowers and gives life and hope to young women in Nepal. Many students have come from Hindu backgrounds and have come to know Christ and now have a hunger for the Word of God. Following are testimonies of some of the young women who are studying at the training centre this year.

My name is Dipmaya Praja from Raaksiranng Rural Municipality-8, Makawanpur, and I am 16 years old.

We are a family of 8 and I am the 5th of 6 children. We followed the Hindu religion. Our mother used to practice Hindu culture and traditions sometimes but not so seriously. During this time, my mother became sick. We took her many places for treatment but

nothing worked.

My father was the first of us to become Christian.

Then one day my mother heard the gospel from a believer, and she believed that gospel. She accepted Jesus as her personal Saviour and then she became completely healed from her sickness.

When my mother started going to church, I wondered why she was going so much. After a while, our whole family decided to go to church with her.

It was when I went to church that I realized that salvation and peace is found in Jesus, and this is what my mother had experienced. Immediately I accepted Jesus as my personal Saviour in 2023. Not only me but my whole family. I was water baptized in the following year.

My family has now got peace and joy that we had not experienced before. We are now part of Living Hope Church.

I am excited to learn more about the bible and develop skills in sewing and healthcare at Deborah Training Center. After this training I will go back to my hometown and do ministry among the youth of my church. I will start small tailoring shop for my daily income that can support for my church ministry also. Please pray for my family and my church.

Dipmaya Praja

My name is Bimala Praja. I am from Raaksitaang Rural Municipality-8, Makawanpur, and I am 17 years old. I am from a family of 6. I am the oldest of 4 children, with 2 brothers and 1 sister.

Our family background is Hindu culture. We used to believe in Hindu culture and traditions. According to Hindu religious beliefs there were many gods which were made of soil. We used to burn scents and offer flowers to worship them. Sometime we worshiped other gods also. We offered foods, fruits and animals' blood also. We thought doing these things would protect us from sickness and other problems, but nothing had lasting effect in our daily life. If we became sick these gods healed us for few days then same condition would come back.

My father was the first of us to become Christian. He received the gospel from Pastor Hari Prasad Praja. Then he took all our family to attend church fellowship regularly. Nobody gave trouble and persecution to our family.

While being in church fellowship, I came to know that Jesus came to save me and has forgiven my sin. So, I accepted Him as my personal Saviour in 2023. I was water baptized in the following year.

My family is part of Living Hope Church where Pastor Hari Prasad Praja ministers, from whom we heard the gospel.

I was looking for a Bible school to know more about the word of God, so I am happy to come to Deborah Training Center to learn from God's word and sewing training too. After this training I will go back to my church and do ministry in my local place. Please pray for my family and for my future ministry.
