Prophecies Being Fulfilled

The Bible describes exactly how the conflict with Iran will end. Four prophecies written across three centuries by prophets who never met, never collaborated, and never knew the empire they called Persia would become the centre of modern global anxiety. And all four are activating right now. They are a sequence. Each one sets up the next. Together, they tell one complete story about a single nation.

Prophecy 1, The Broken Bow of Elam.

Jeremiah 49:35, *"Thus says the Lord of hosts. Behold, I will break the bow of Elam, the foremost of their might. I will bring against Elam the four winds from the four quarters of heaven and scatter them toward all those winds. There shall be no nations where the outcasts of Elam will not go. I will cause Elam to be dismayed before their enemies and before those who seek their life. I will bring disaster upon them, my fierce anger, says the Lord. I will set my throne in Elam and will destroy from there the king and the princes."*

Jeremiah pointed at a specific region. Iran's Bushehr nuclear facility built on the coast of the Persian Gulf in the ancient territory of Elam. The region he named is exactly where the weapons are.

On February 28th, 2026, combined United States and Israeli strikes targeted Iran's air defense systems, missile production facilities, command and control centers, and nuclear infrastructure. Up to 80% of Iran's air defense destroyed. A large portion of its naval fleet sunk. The defense manufacturing base, guidance systems, fuel production, specialized components severely damaged. Jeremiah says the bow is broken.

Verse 38 of Jeremiah 49, *"I will destroy from there the king*

and the princes." On February 28th, Ayatollah Ali Khamenei was killed in the strikes. 37 years of supreme authority ended. The king fell. The princes fell with him.

Prophecy 2, The impossible Alliance.

In Ezekiel 38, the word of the Lord came to the prophet and described a never before seen massive military coalition assembling from multiple continents and descending upon Israel in the last days.

"Set your face against Gog of the land of Magog, the chief prince of Meshech and Tubal, and with him Persia, Cush, Put, Gomer, and Beth Togarmah..." Five nations named individually, 25 centuries before they ever shared a handshake, let alone a weapons contract.

In verse 15 of Ezekiel 38 God says he will bring this leader *from the uttermost parts of the north*. Due north from Jerusalem passes directly through Moscow. Most conservative scholars identify Magog with the territory of modern Russia, Persia, Iran. Named explicitly. Cush, modern Sudan and the Horn of Africa. Put, modern Libya and North Africa. Gomer and Beth Togarmah. Turkey and the surrounding regions of the Caucasus. Five nations.

Prophecies Being Fulfilled ...

During this year, Russia has provided satellite intelligence to Iran, as well air defense systems and advanced radar technology. Russia also began preparing to supply explosive laden drones to Iran, a complete reversal of the original arms flow. Russia, Iran, and China have created a strong alliance some of which began in 2021.

Ezekiel 38:8. *"In the latter years, you will come into the land that is brought back from the sword and is gathered out of many peoples on the mountains of Israel, which had been a continual waste. But its people were brought out from the peoples, and they dwell securely, all of them."*

Prophecy 3, The Eastern Gateway.

Revelation 16:12, *"Then the sixth angel poured out his bowl on the great river Euphrates, and its water was dried up so that the way of the kings from the east might be prepared."*

Revelation 9:16 describes the scale of this mobilization. A massive military force mobilized from Asia, moving westward toward the Euphrates River and ultimately toward the valley of Megiddo.

For any eastern army to reach the Euphrates River and advance toward Israel, they must cross the Iranian plateau as it is the geographic corridor and gatekeeper between Asia and the biblical theater of the final conflict.

The political, economic, and military highway between Asia and the Middle East, running directly through Iran is being constructed right now. The corridor that Revelation describes is not theoretical. It is under construction.

And then there is the river itself. For thousands of years, it served as the natural barrier between east and west.

Turkey has constructed over 20 major dams on the upper Euphrates and its tributaries, dramatically reducing the flow into Syria and Iraq.

Revelation says the Euphrates dries up to prepare the way. The political alliances are forming on one end. The physical river is depleting on the other. The pathway is opening from both directions simultaneously.

Prophecy 4, The Throne in Elam.

Go back to Jeremiah 49, verse 38, *"I will set my throne in Elam and will destroy from there the king and the princes, says the Lord."* Verse 39, *"But it shall come to pass in the latter days, I will bring back the captives of Elam, says the Lord."*

The nations gather. Russia leads them. Iran marches with them. Turkey, Libya, Sudan. The entire coalition moves toward one place, the mountains of Israel.

The stage is set, yet the ordinary men and women who live under that system, the mothers, the students, the shopkeepers, the young people, are searching for something the regime could never provide. The leadership falls, the people are seeking and will be saved.

"I will set my throne in Elam." This is not a political throne. It is a spiritual one.

Open Doors consistently ranks Iran among the top 10 most dangerous countries on Earth for Christians. And the church is not shrinking. It is the fastest growing Christian movement on the planet. Every force that should have killed this movement only multiplied it. That is not human resilience. That is divine sovereignty.

God said He would set His throne in Elam. He is doing it right now, one living room at a time. The nation the world fears most for triggering World War II is

simultaneously the nation experiencing the most explosive spiritual awakening on the planet. That is the throne Jeremiah described rising in the ruins of the one that fell.

Zechariah 14 describes that all nations gather against Jerusalem. The city is surrounded. And then the Lord will go forth and fight against those nations.

Zechariah 14:4a *"And in that day His feet will stand on the Mount of Olives, which faces Jerusalem on the east."* The same mountain where Jesus stood before He ascended into heaven. That is where all of this is heading. Iran's broken bow, the coalition's rise, the Eastern gate, the nations surrounding Israel.

Every thread, every alliance, every headline, all of it building toward one moment. The return of Jesus Christ to Jerusalem, as the King of Kings, stepping onto the Mount of Olives, ending the conflict that has consumed this region for 4,000 years, establishing his kingdom, and ruling from the city that every prophet pointed to.

Daniel saw it. A stone not cut by human hands, striking the statue of world empires and growing into a mountain that fills the entire earth. A kingdom that will never be destroyed, nor will it be left to another people.

Ezekiel saw it. The nations gathered and were broken by divine intervention on the mountains of Israel.

'For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places. (Ephesians 6:12)

Prophecies Being Fulfilled...

Zechariah saw it. The king standing on the Mount of Olives, the same mountain from which he ascended.

John saw it. Revelation 11:15, *"The kingdom of this world has become the kingdom of our Lord and of his Christ, and he shall reign forever and ever."*

Four prophets, four centuries apart, one conclusion. The people of Iran are not our enemy. They are proof that God reaches into the darkest, most hostile places on earth and saves those who call on his name. If God can set his throne in Tehran in secret living rooms where believers risk execution to worship, then no place on earth is beyond his reach, including yours.

The question is not whether these prophecies will be fulfilled. You have seen the evidence. Four prophecies, four prophets, one nation, every detail matching, every alliance forming. The question is where you stand when the final chapter opens.

The king who called Cyrus by name before he was born knows your name too. Empires break, alliances shift, rivers dry, bows shatter, regimes collapse. But the throne of God does not move. It only advances. *(Extract from Renewed Wisdom Network)*

For us, the Lord is calling us to 'watch and pray'. We are not to be discouraged, but trust that He will lead and guide His people through whatever is ahead. One thing is sure, God will be victorious in the end. We are to trust Him, pray, watch and fear not.

So we encourage you as Jesus did in Mark 13:37 "What I say to you, I say to everyone: 'Watch!'"

Isaiah 41:10 "So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand."

Come, Jesus, come!

Amen

Boldness and Guardian Angels, Nepal

3000 New Testaments, 100 motorbikes, 200 riders, 300 intercessors

3000 New Testaments were securely packaged by the ladies from the Deborah Training Centre into bundles of 15. Two bundles were given to each driver.

300 intercessors stayed behind and prayed for boldness and guardian angels amidst concerns about Hindu extremists and the antichrist spirit which had been threatening to rise up during the rally.

So, on Easter Sunday, the motorbikes headed off around Chitwan area with great excitement and expectation. The riders visited friends, relatives and others who had invited them to. They shared the gospel, gave out New Testaments with Questions & Answers, and prayed with the people. Many were blessed and encouraged.

It was a wonderful day! The team returned with joy, for prayer and thanksgiving and to celebrate the advancing of the gospel and salvation for those who received the New Testaments and those around them. They prayed that Word of God given out would accomplish God's purposes in Chitwan and Nepal!

Thank you Jesus for what you are doing in this nation and beyond.

*'How beautiful upon the mountains Are the feet of him who brings good news,
Who proclaims peace, Who brings glad tidings of good things, Who proclaims salvation,
Who says to Zion, "Your God reigns!" (Isaiah 52:7)*
